CV & PORTFOLIO

HAROON RASHID  
Interior Designer

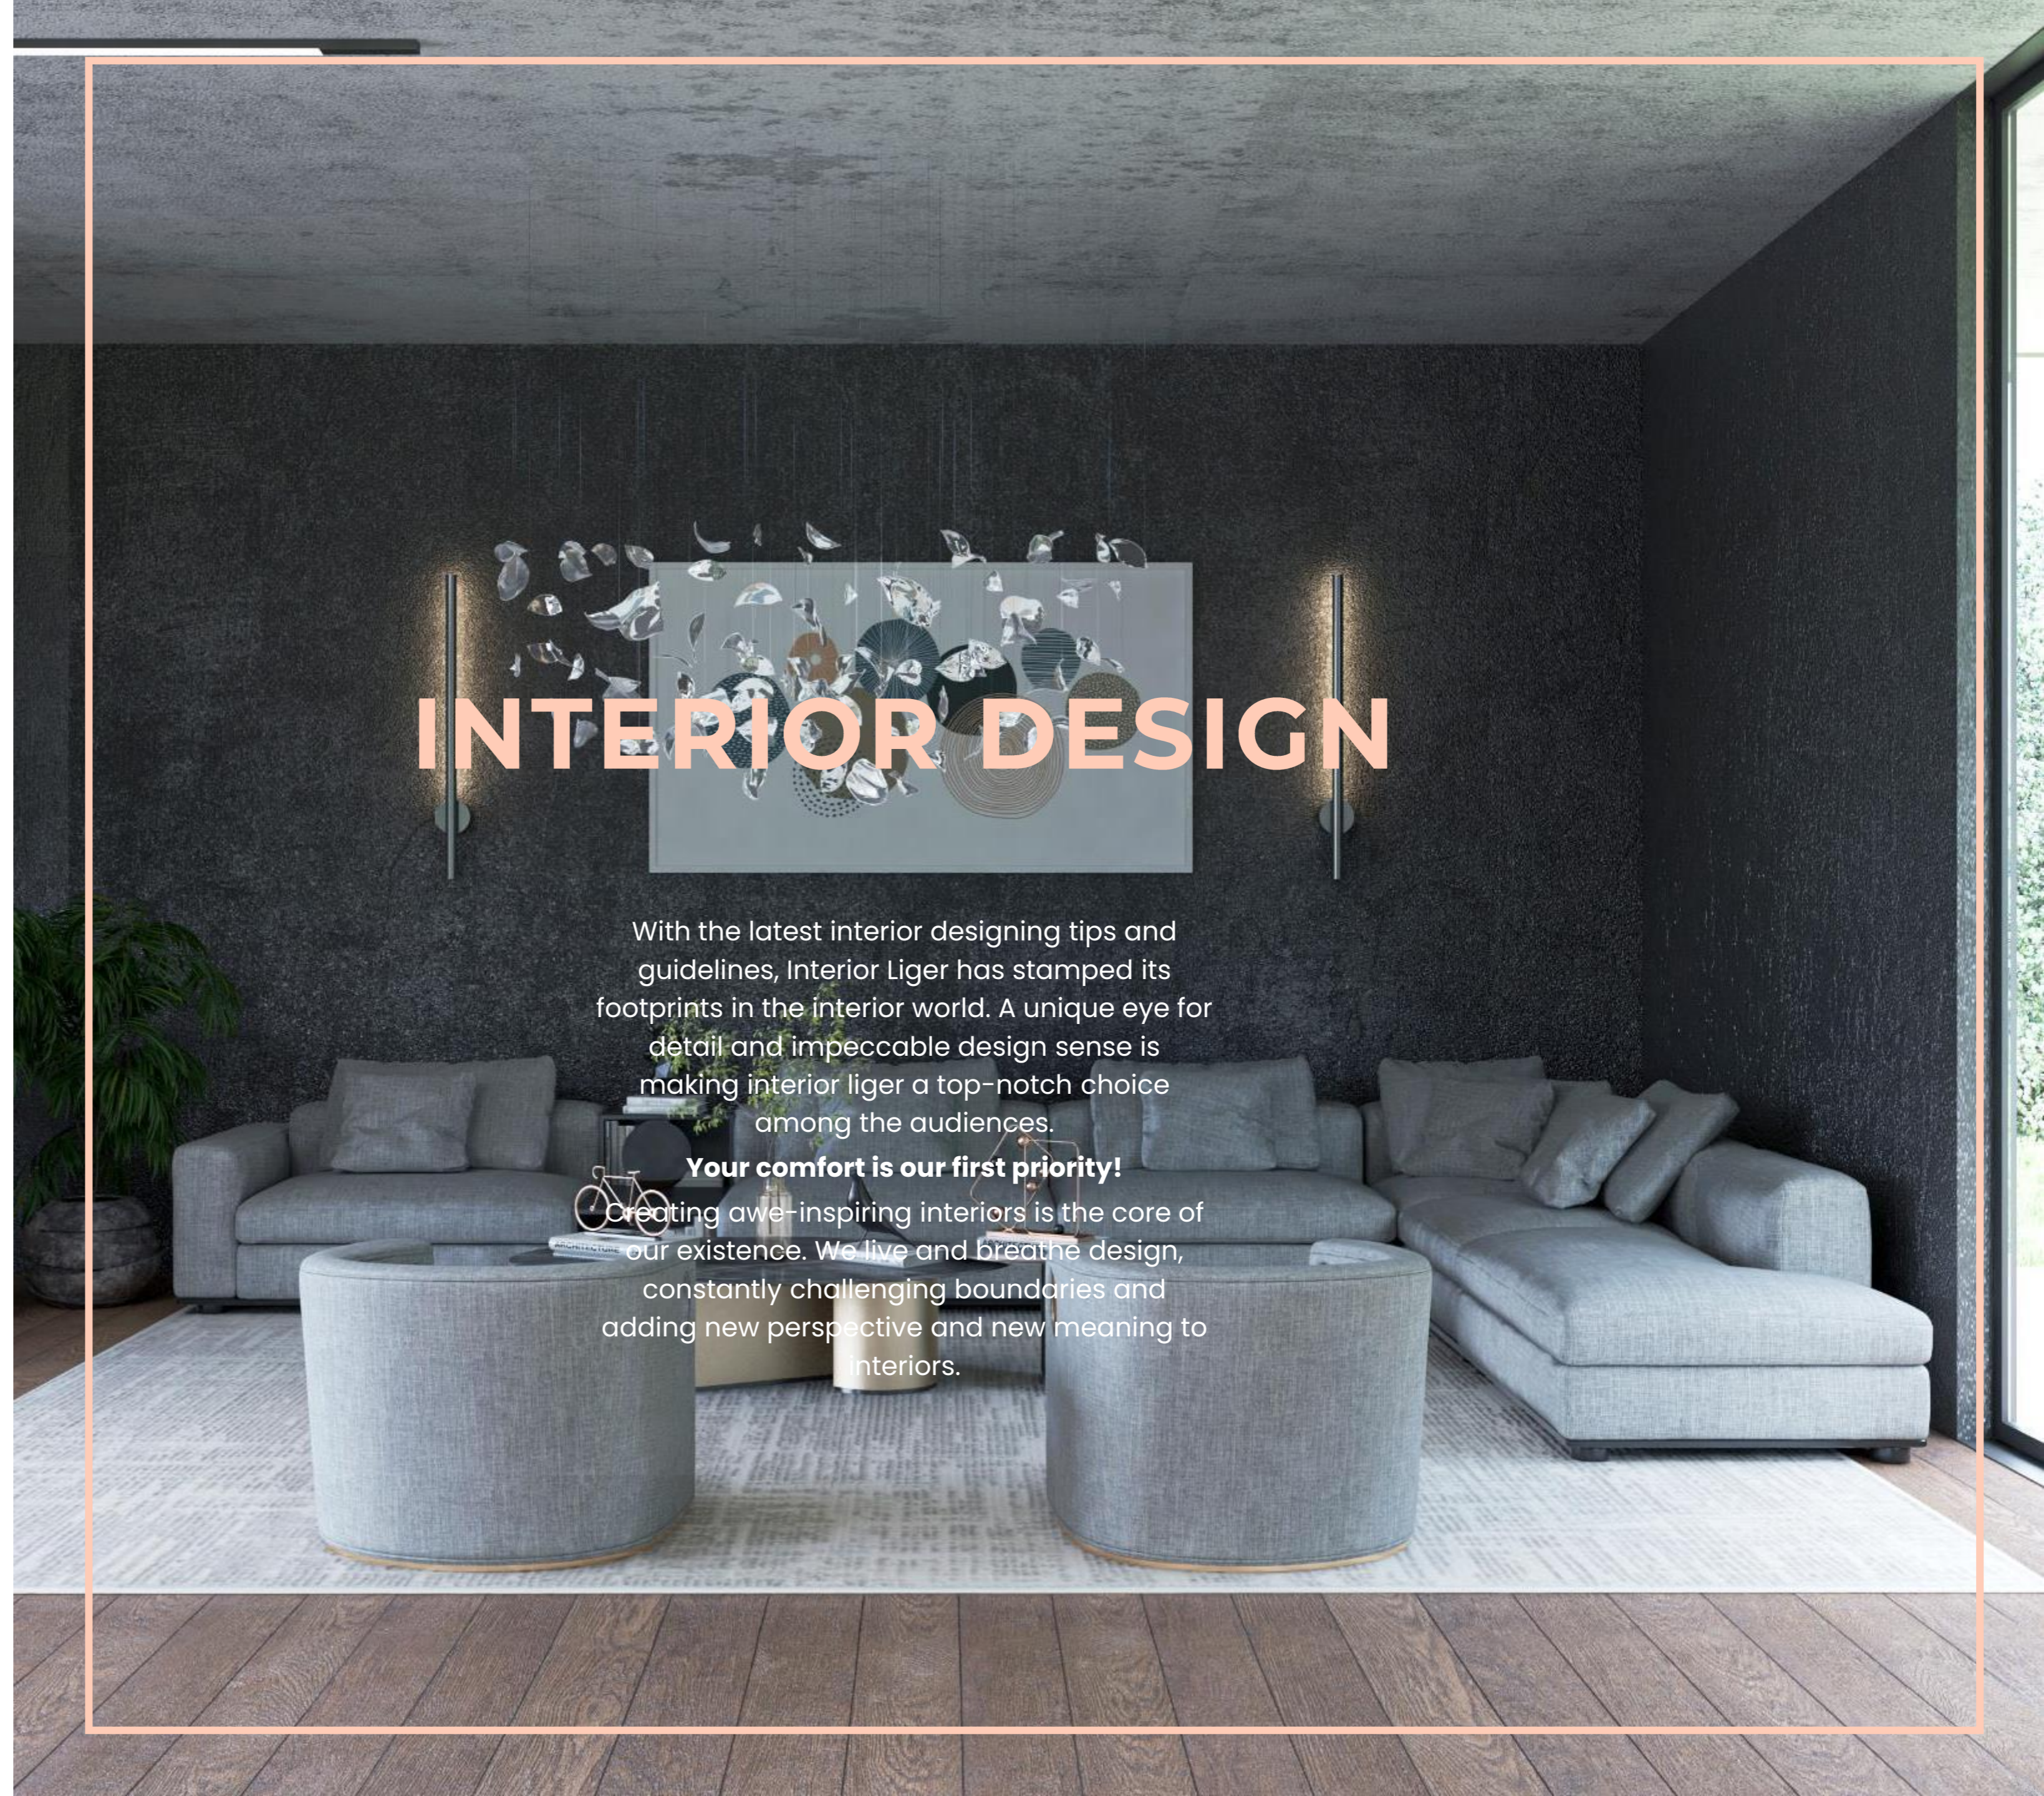

I am a creative, artistic and ambitious Interior Designer with a talent for thinking outside the box and coming up with innovative ideas and designs. I graduated with a 1st Class honors diploma in Interior Design from Delhi institute of fashion technology and subsequently have worked in the design industry for the past 5 years. I pride myself in providing excellent service to all stakeholders and seeing the positive impact I make in people's lives and businesses.

INTERIOR LIGER

BY HAROON

Lighting Fixtures

Inspiration

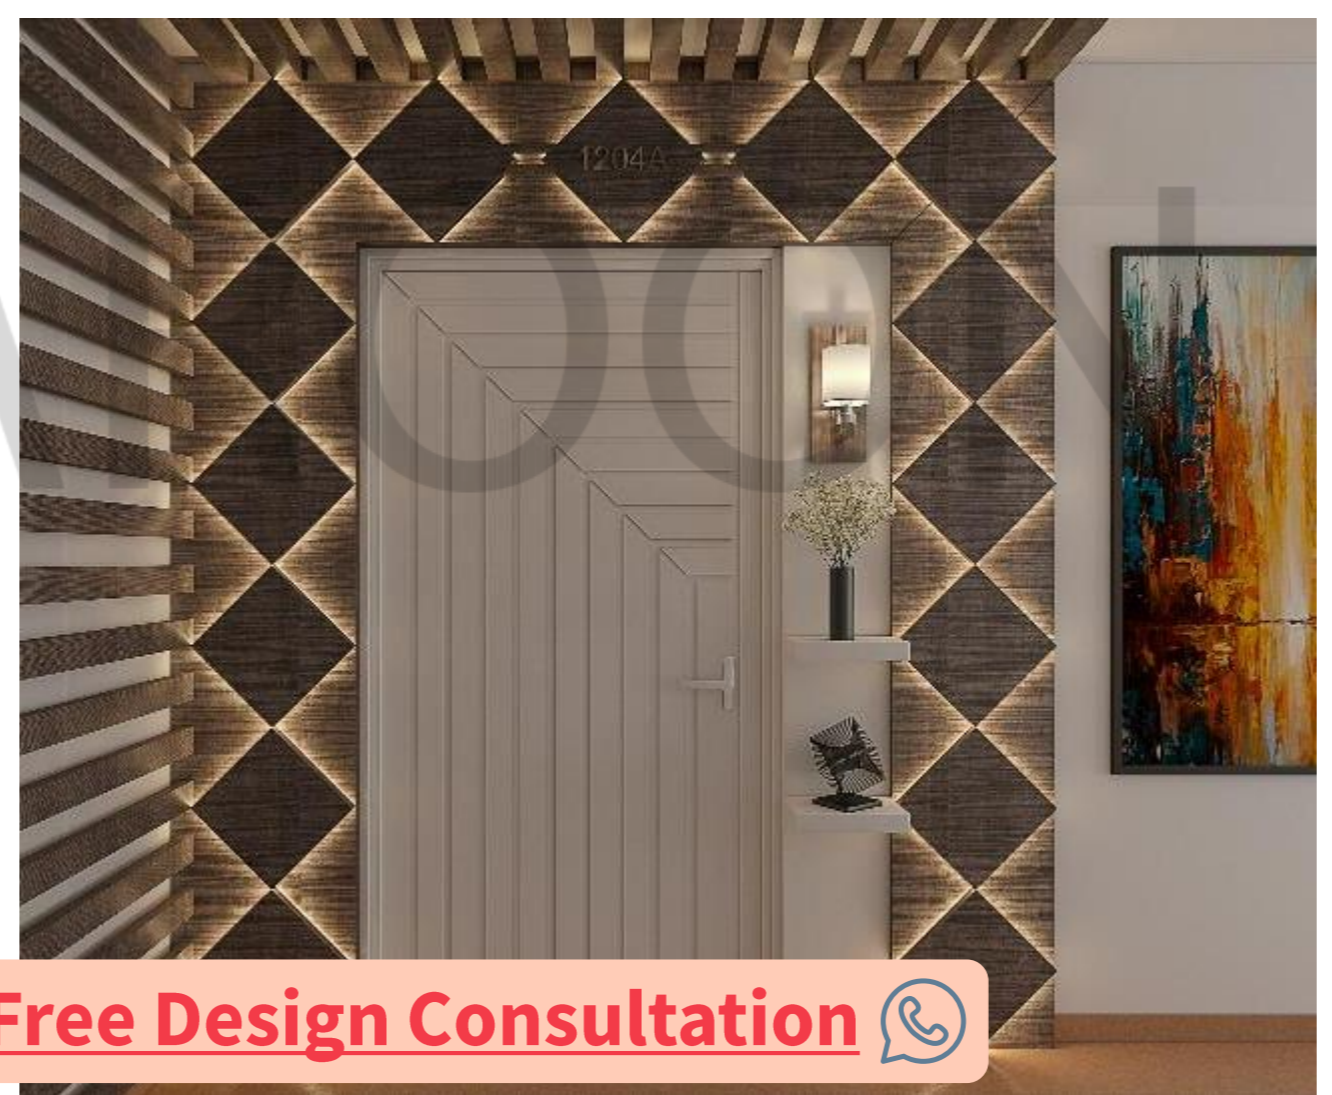

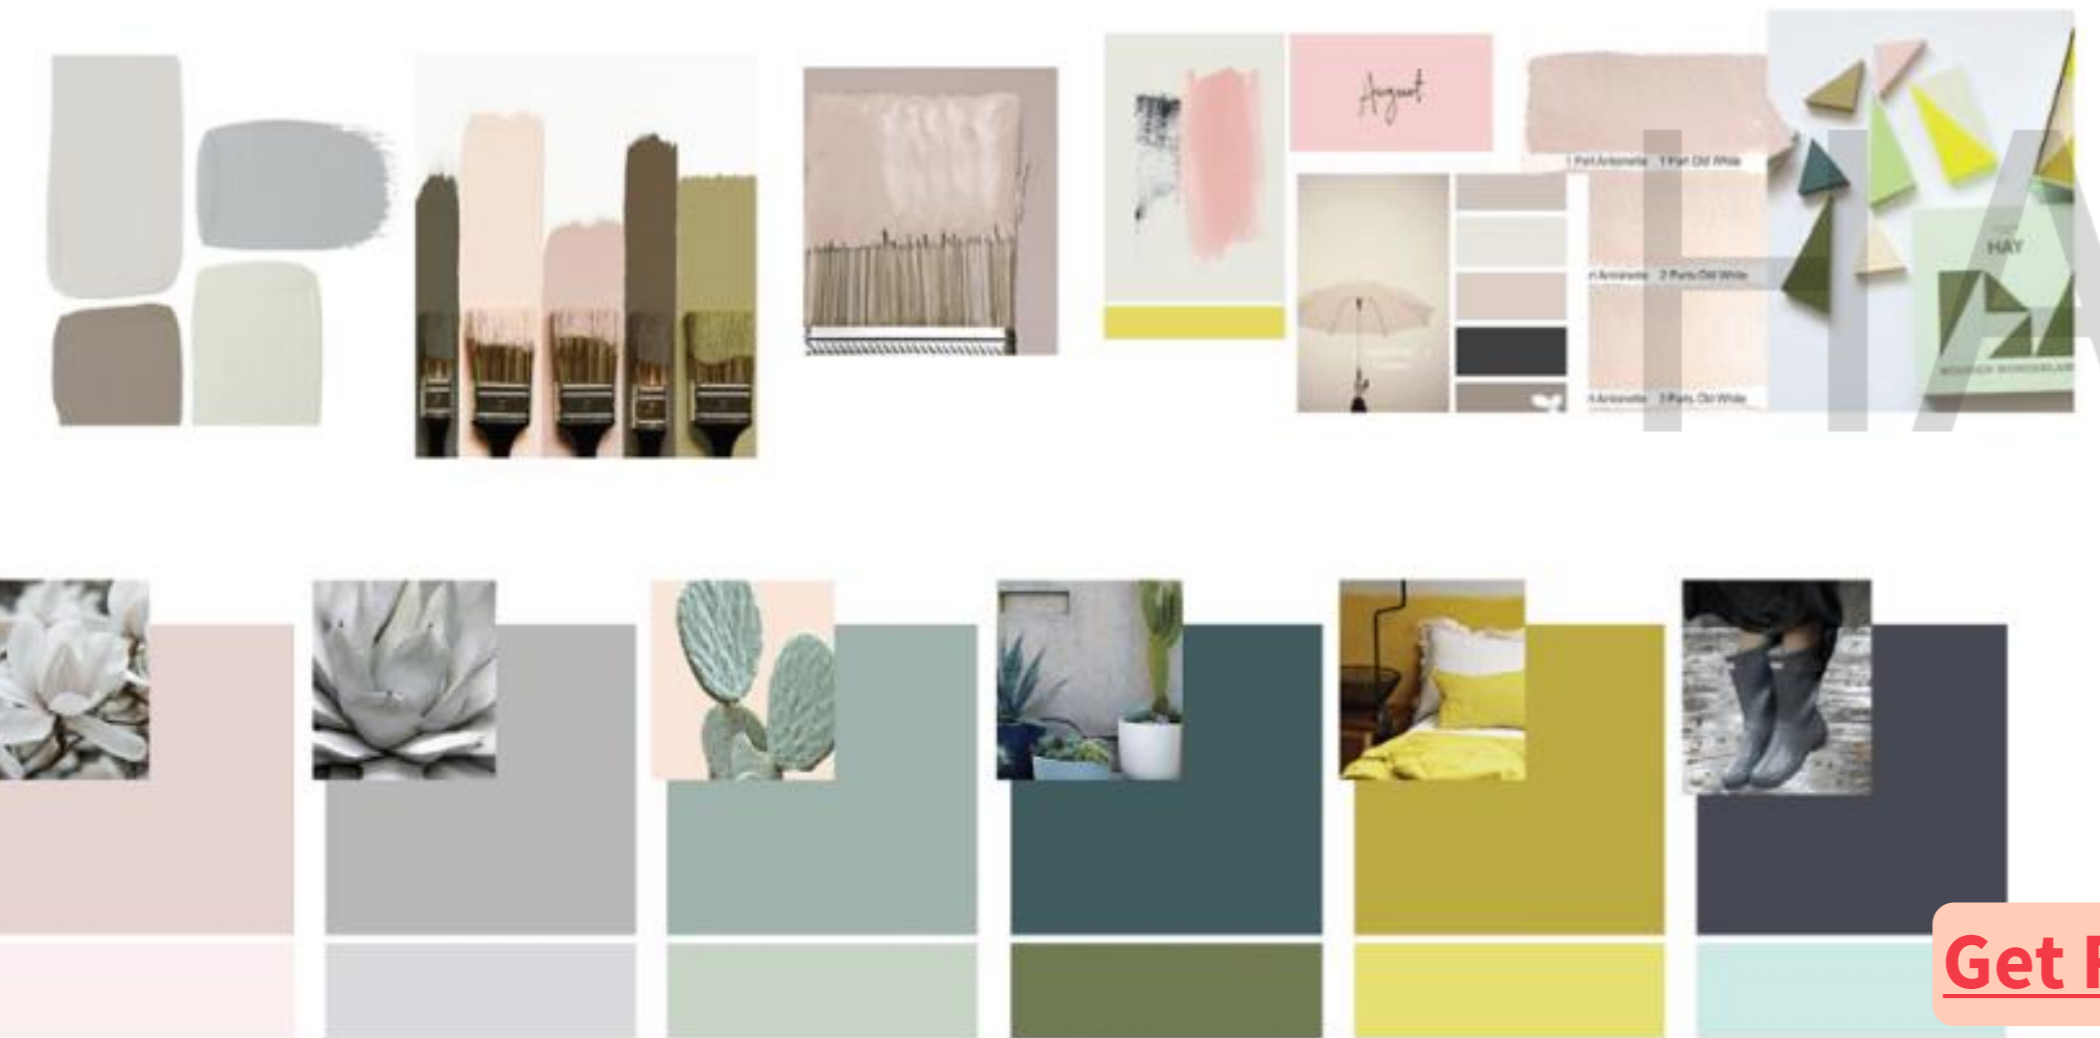

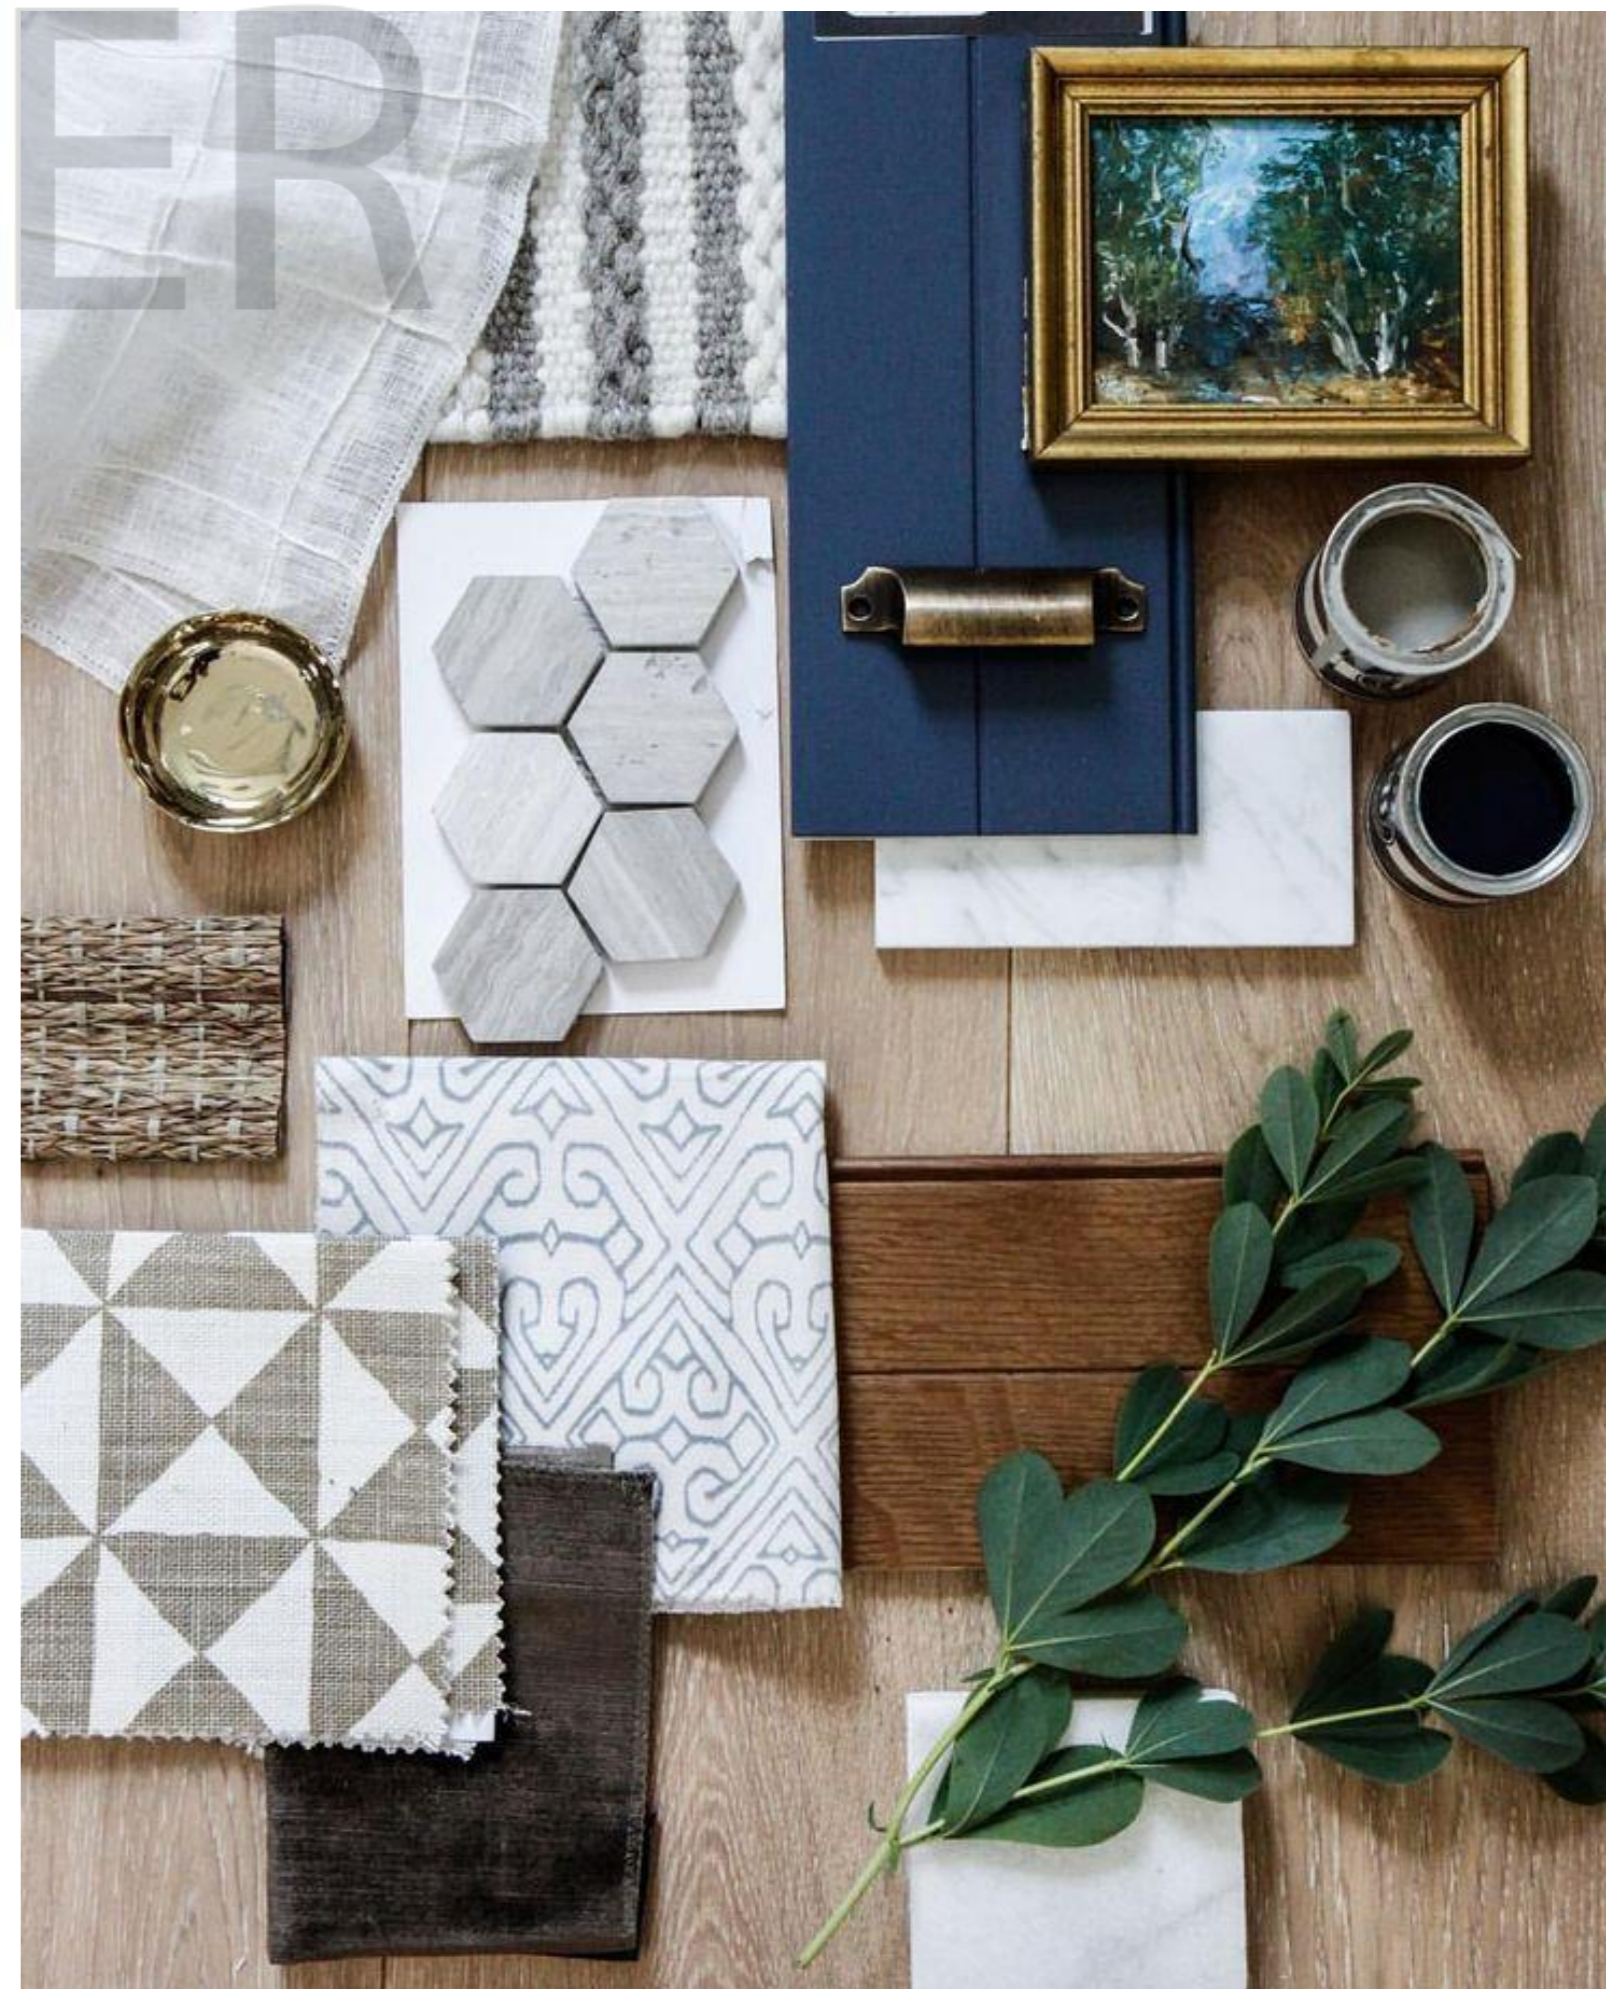

The mix between Boho and Industrial Lighting Fixtures gives off a warm cozy ambience.

Fixtures

The use of wood adds to the ambience a comfy elegant feeling... Also, mixing the wood with greens gives off a lively feeling..

# Mood Board

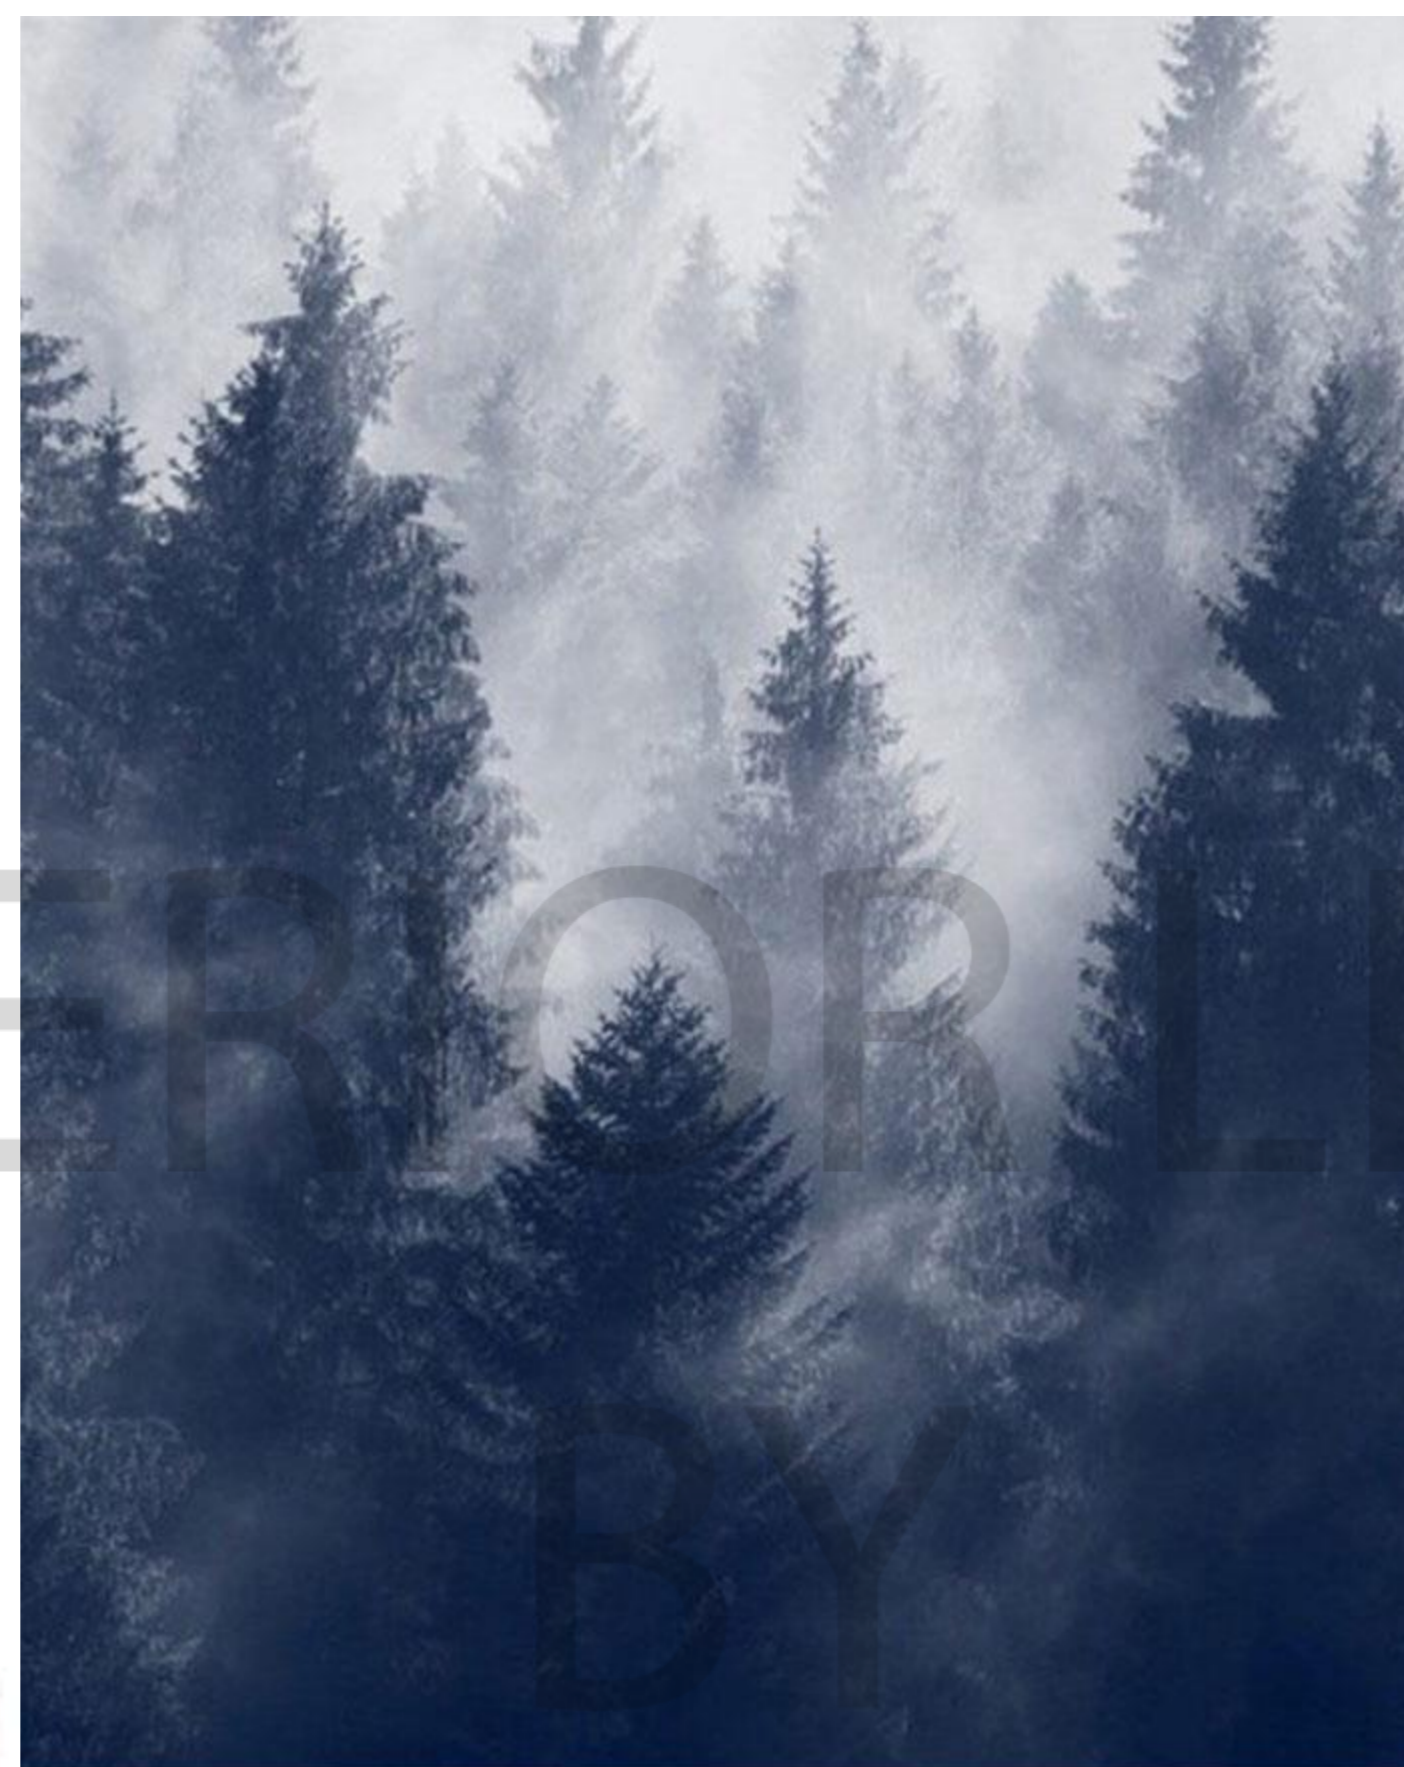

Get Free Design Consultation 

Creating a mood board to present to clients gives them an idea of what the finished product will look like and allows everyone involved to agree on a direction before too much work is done.

## Plant

Plants evoke beauty and elegance. The use of plants in a systematic way is sufficient to accentuate the look and feel of the room. In fact, some interior designers recommend using plants as the major and sole constituent to furnish the interiors.
